ALL MEN NOT BORN EQUAL

Dr. Wyman-Parker, in Lecture, Says Psychology Shows No Individual Alike

HAND AND SPEECH ARE RELATED

The democratic axiom that all men are born equal is repeated by psychologists at the result of a series of experiments. The latest study of the child during the last few years has shown that the child is not born equal. The child is born with a certain amount of intelligence, but this is not the end of the matter. The child is born with a certain amount of intelligence, but this is not the end of the matter. The child is born with a certain amount of intelligence, but this is not the end of the matter.

THE MELLOW FLAVOR OF "CANADA DRY" BRINGS KEEN DELIGHT AND VIGOR

Sometimes you find the day a little milder, the sun a little warmer, the air a little softer on your cheek. Such is the mellowness of "Canada Dry."

Deficious and refreshing as some rare old wine, giving off a subtle yet delightful bouquet, a taste which wins the connoisseur's nod and approval, that is the thrill of drinking this wonderful ginger ale.

Made from pure Jamaican ginger and other high-quality ingredients, blended and balanced with care, carbonated according to a secret method, "Canada Dry" is like the aristocrat it is, is the champagne of ginger ales.

Countless homes and great hotels in the Dominion serve it.

A Market Study

Close students of investment securities are almost one in their opinion that securities prices in some cases are far below their actual value that conditions must change.

It is our advice to investors that those who have funds should invest in various ways and select from those which are "out of line."

This is a buyer's market. Prices are low and interest returns above normal.
